

WHAT PROJECTS WILL HELP INDY MOVE?

Join us to learn about Indy Moves and tell us which projects matter most to you!

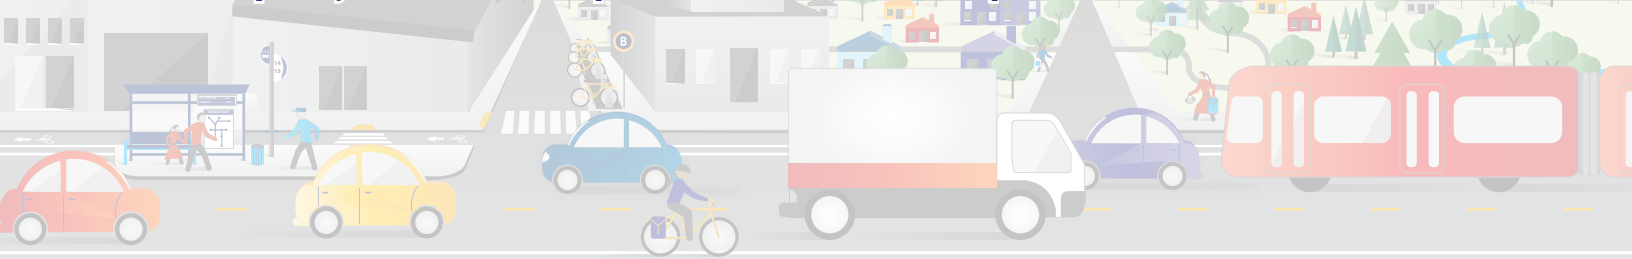

Indy Moves is a citywide effort to tie together Indianapolis' many transportation plans and projects and establish an action plan that keeps us all moving for years to come.

You are invited to learn a little about how people and goods move to, through, and around our city today and share your ideas for projects in the future.

Find us at one of twelve locations around the city during February and March. Each meeting will focus on the Council districts in the area; check your district at maps.indy.gov/GovProfile/. See the back of this flyer for locations and drop by between 5:30 and 7:00 p.m., with a short presentation at 5:45 p.m.
